Education

Masters of Science in Biomedical Informatics

OREGON HEALTH & SCIENCE UNIVERSITY

Portland, OR

2016-2019

Bachelors of Science in Biology

OREGON STATE UNIVERSITY

Corvallis, OR

2010-2014

Employment

Informatics Research Associate

OREGON HEALTH & SCIENCE UNIVERSITY

Portland, Oregon

2018-Present

- Develop SQL scripts for analysis of large scale electronic health record data for the Veterans Health Administration in conjunction with a national project for telemedicine in Sleep
- Develop dynamic visualizations in accordance with a pilot for the Agency for Healthcare Research and Quality (AHRQ)
- Consult with collaborators in Pacific Northwest Evidence-based Practice Center on issues pertaining to data governance, analysis, and visualization

Senior HRIS Analyst

OREGON HEALTH & SCIENCE UNIVERSITY

Portland, Oregon

2015-2018

- Designed and developed an Oracle database to perform daily analysis on data extracted from 22 reports from Occupational Health vendor
- Created and modified a web interface for rapid reporting and analysis of Occupational Health data to managers, including a ticket request system
- Demonstrated a high level of proficiency, competency, and professionalism, leading to an uncommonly fast promotion pace (HR Systems Specialist 2015-2016, HRIS Analyst 2016-2017, Senior HRIS Analyst 2017-2018)

MILITARY

Enlisted Reservist

UNITED STATES ARMY RESERVE

Clackamas, Oregon

2011-Present

- Developed proficiency in professional document production and regulation research
- Demonstrates leadership principals to complete the mission
- Selected for Officer Candidate School

Relevant Skills

Applications	RStudio; Microsoft SQL Server Management Studio; Tableau; Anaconda; Toad; Oracle Application Express (APEX); Neo4J
Databases	Relational database theory, development, management; Non-relational databases; Graph databases
Languages	R; SQL; PL/SQL; Python; HTML; CSS; LaTeX; Cypher
Data Science	Supervised and unsupervised machine learning; Data wrangling; Data visualization; Process automation

Awards and Honors

Nov 2018 Design Challenge Runner-up - 8th Annual Workshop on Visual Analytics in Healthcare

Visual Analytics in
Healthcare

Publications
